Conference

Inspector of the Year Exam

A comprehensive test on construction related topics will be conducted. Participation is not required but encouraged. Exams will be handed out at registration and will need to be turned in by end of the day, Wednesday, January 28.

The annual "Inspector Award" will be presented to the participant who scores the highest without using any reference materials or smart phones/tablets (on the honor system!).

All participants will be entered into a drawing for a \$25 gift card.
